Massachusetts, with more than 1,900 miles of coastline, offers some of the finest saltwater fishing in the country. The diversity of marine habitats supports one of the richest fishery resources in the world. Long famous for record-size striped bass and giant bluefin tuna, the waters of the Commonwealth abound with a variety of other highly prized fishes including flounder, cod, bluefish, and scup. Countless tiderips, beaches, embayments, and jetties provide unlimited fishing opportunities for boat and shore-based anglers.

Launching sites, tackle shops, and charter and party boats are available along Massachusetts' entire coastline to accommodate the resident and visiting fisherman. This booklet is a guide to these facilities. Hopefully, it will contribute to the success and enjoyment of your fishing trip.

The information in this guide was compiled by the Division of Marine Fisheries. While every effort was made to gather a complete list of Massachusetts marine sportfishing facilities, it was not possible to get adequate information about all of them. The owners or managers of unlisted facilities are encouraged to contact the Division of Marine Fisheries to insure they will be included in future editions.

Fishing Derby

Massachusetts Saltwater Fishing Derby Rules and Regulations

Sponsored by the Massachusetts
Division of Marine Fisheries

The Commonwealth of Massachusetts, Division of Marine Fisheries, will acknowledge catches of outstanding saltwater gamefish that meet certain requirements. Eligible species and minimum qualifying weights are listed below.

At the end of each derby year, trophies will be awarded to anglers who landed the heaviest fish in each species category. Winners will be chosen in three divisions—men, women and junior (age fifteen and younger).

The derby runs from April 1 through October 31 each year and is open to all age groups. Fish entered must be caught in a fair and sporting manner on hook and line and must be measured and weighed at an official weigh-station on a certified scale. Weighmasters can be found at most local marinas and tackle shops.

To enter, simply fill out the official affidavit form in the center of this booklet and have it certified at a weigh-station. Please write clearly and provide all information requested. Affidavits that are illegible or incomplete cannot be accepted. Mail affidavits to:

Massachusetts Saltwater Fishing Derby
P.O. Box 8066
Boston, Massachusetts 02114

Special awards are offered for new State records. If your catch exceeds the weight listed on the current list of Massachusetts Saltwater Gamefish Records, you may qualify for a special award. All weigh-stations have been provided with a copy of the current list. When applying for a new State record your affidavit must be accompanied by a clear photograph of your catch with your name, address and telephone number printed on the back.

Licenses

Saltwater licenses are not required for sportfishermen in Massachusetts. The sale of fish, however, may require a license from the Division of Marine Fisheries. To obtain an abstract of marine fishing laws or other information concerning the Massachusetts coastal fishery, contact the Division of Marine Fisheries at the above address.

Boat Registration

Division of Law Enforcement
Alban Landry, Deputy Director
100 Nashua Street
Boston, Massachusetts 02114
Telephone: Boston 727-3900

All motorboats must be registered and numbered. Fees: Original registration $20, renewal $20, replacements $1, transfers $1.50.

The original registration is good for 2 years from date of issue and a renewal for 2 years from last expiration date. The Massachusetts boat registration is valid without extra fee in the 47 states approved by the Coast Guard and on the tidal waters of all the states on the Atlantic, Pacific, and Gulf Coasts, and on the Great Lakes for 90 consecutive days.
